Intentional Pacing: Guiding viewer focus to key conversions.

Strategic Contrast: Scroll-stopping palettes & type hierarchy.

Systematic Grids: Engineering precision across responsive formats.

INDUSTRY & DOMAIN FOCUS

EdTech & Academies	Specialty F&B
Podcasts & Creators	FMCG & Retail

ACADEMIC FOUNDATION

B.Tech in Computer Science & Eng.
DAV Institute of Eng. & Tech. (DAVIET), Jalandhar

Diploma in Computer Science & Eng.
Mehr Chand Polytechnic College, Jalandhar

PROFESSIONAL PROFILE

Multidisciplinary Creative Designer & Video Editor with a foundational degree in Computer Science & Engineering. Combines engineering precision, grid alignment, and responsive system logic with expressive, scroll-stopping digital storytelling. Proven track record delivering 50+ commercial projects across EdTech academies, artisanal F&B brands, podcasts, and digital campaigns.

WORK EXPERIENCE

Graphic Designer & Video Editor

2024 - Present

Nugen IT Services • Mohali, Punjab

- Spearheaded visual marketing collateral, client campaign suites, social creatives, and promotional flyers tailored for maximum audience conversion.
- Cut, edited, and exported short-form video reels and marketing teasers; synchronized audio hooks, animated captions, and dynamic transitions.
- Built modular layout systems in Figma, accelerating multi-format campaign turnaround times by 30% while preserving brand cohesion.

Freelance Creative Designer & Video Editor

2023 - Present

Independent Creative Practice • Direct Client Engagements

- Delivered end-to-end design retainers and video production for clients across tech education, podcasts, culinary ventures, and lifestyle brands.
- Edited episodic podcast video reels, mastering 3-second hook delivery, audio visualizers, and word-by-word subtitle styling.
- Crafted end-to-end brand identity systems, custom packaging mockups, and cross-channel marketing suites from physical print to mobile feeds.

FEATURED PROJECTS & CASE STUDIES

The Beans: Specialty Coffee Co. & Takeaway Systems

Brand Identity • Custom Vector Monogram • Cup Packaging • Editorial Campaign

- Designed complete brand identity with custom bean-negative-space typography, multi-size takeaway cup mockups with tactile kraft sleeves, and Cold Iced Latte launch posters.

Singh Bake & Bites: 360° Brand Transformation

Brand Identity • Vector Logo • Packaging Mockups • AI Video Reels

- Developed vector crest logo, amber color matrix, unbleached eco-craft takeaway packaging, 3-part promotional social campaign, and 3 AI-synthesized motion video reels.

Next-Gen Tech Academy: High-Conversion EdTech Campaigns

Multi-Week Admission Campaigns • Orientation Flyers • Story Formats

- Designed high-converting admission posters, bootcamp announcements, and orientation campaign suites engineered to stop the scroll and drive student enrollment inquiries.

Narrative Podcast Video Series & High-CTR Thumbnails

9:16 Vertical Video • Kinetic Subtitles • 16:9 & 9:16 Thumbnail Design

- Cut and formatted high-retention 0:25-0:35s vertical reels with kinetic subtitle synchronization, sound design, and custom high-CTR YouTube/Shorts cover thumbnails.
